MISSION BUILDING PROGRAM

If you are from Akron or from outside of Akron, either in the USA or another country and have not done a DTS with YWAM but want a taste of missions and desire to jump in and serve where needed, you are welcome.

Upon discussion with our leadership and approval of your application, you may volunteer from 1 week to 3 months and beyond. You can serve from one day a week to a solid amount of time.

We welcome all ages and want to fit you into areas that are in your skill set and calling along with areas you may want to grow in.

There is a place for you and if we don't have one now we will soon as we grow and develop and own more space and property.

We are currently renovating property and need skilled workers in areas of building, painting, plumbing, electric, etc. as we restore and ready our new training, office and possible residential areas.

OTHER VOLUNTEERS AND FRIENDS OF YWAM

If you don't feel a call to commit full or part time to YWAM Akron as a staff or as a mission

builder at this time please feel free to get involved when you can! We always need intercessors and prayer supporters and there are also events throughout the week where we welcome anyone who has a heart to see God glorified in Akron and the nations.

*** GET OUT THERE DAYS AND NIGHTS**

- We will be launching this again soon ! -

This is when we head out to evangelize and pray somewhere in the city. If you are interested in joining up with us, give us a call or email us.
